

# Health Care Assistant Diploma

PROGRAM ADMISSION PACKAGE

**DEAR APPLICANT,**

Greetings and thank you for your interest in the [Health Care Assistant Diploma](#) at Selkirk College.

This 4 semester, two-year program is recognized by the BC Care Aide & Community Health Worker Registry. It has been designed for international students. In addition to a qualification as a health care assistant/care aide, the program also contains the courses for the Community Support Worker Associate Certificate.

Students are prepared to work in a wide variety of public and private settings including long term and acute care, home support and assisted living. Graduates work under the direction and supervision of a health care professional and provide person-centred care aimed at promoting and maintaining the physical, emotional, cognitive, spiritual and social well-being of clients and residents.

If you have any questions, you can contact the Enrolment Officer .

Sincerely,

Jocelyn Schroeder, RN, BSN, MSN  
School Chair, School of Health & Human Services

## GENERAL INFORMATION

Thank you for your interest in the Health Care Assistant Diploma. Please complete all of the necessary sections in this package. Please read the [program policies](#) concerning admission into the program. Acceptance to the program is based on a first qualified basis given that the applicant meets all the requirements. Upon completion of the application package, you will be sent a letter of acceptance into the program. Please submit this completed package by email to: **international@selkirk.ca**

## IMMUNIZATION INSTRUCTIONS

### INSTRUCTIONS TO HEALTH OFFICIAL

Please complete the attached immunization record and include a print-out of an official immunization record from the appropriate Health Authority. All sections must be filled out with dates and signatures in order for the form to be accepted. Ensure the applicant receives all necessary booster shots and testing.

### INSTRUCTIONS TO STUDENTS

Take this Immunization Record Form with you when obtaining your immunization to be completed by a health official and/or obtain a print-out from that same health official.

### IMMUNIZATION REQUIREMENTS AND GENERAL INFORMATION

- This information pertains to applicants in the following programs: Nursing Unit Clerk, Pharmacy Technician, Bachelor of Science in Nursing, Health Care Assistant, Practical Nursing and Postgraduate Diploma in Gerontological Nursing.
  - Tuberculin Test: 5 TU of PPD, read in 48-72 hours, unless individual is a positive reactor. Cost of the test is the student's responsibility.
  - Chest X-ray: if positive reaction.
- Most immunizations, with the exception of TB testing can be done for free at any Public Health Unit or community pharmacy, but you must make an appointment. You can also have them done at a Travel Clinic, but you will pay a consulting fee.
- Diphtheria, Pertussis, Tetanus: Primary series, and reinforcing immunization for Diphtheria and Tetanus if more than 10 years have elapsed since previous immunization; one reinforcing dose for Pertussis is required in adulthood. (There may be a cost associated with this.)
- Poliomyelitis: Primary immunization is recommended for all health care workers (HCWs). Administer a single booster dose 10 years after primary series for HCWs, including laboratory workers, who may be exposed to feces.
- Rubeola (Measles): two doses of live, attenuated vaccine, if born after 1957 or serological test indicating immunity.
- Rubella: one dose live, attenuated vaccine, if born on or after January 1, 1957 or serological test indicating immunity.
- Mumps: one dose of vaccine if born between 1957 to 1969 (inclusive), or two doses if born on or after January 1, 1970.
- T.B. Testing: **Please complete your TB skin test no sooner than six months prior to your first clinical placement.** If you are unsure about your clinical dates, check with your program coordinator/instructor for clarification regarding when to complete the TB testing. It is important that your TB skin test results are no more than six months old before entering your clinical practice.
- Hepatitis B: Complete a two or three dose series (age dependent) and provide serology test results for HBsAg, anti-HBs and anti-HBc Total.
  - If anti-HBs < 10IU/L AND anti-HBs is detectable provide 1 dose of vaccine and retest 4 weeks later.
  - If level is  $\geq 10$  IU/L, consider as immune and no further doses are required.
  - If anti-HBs is undetectable provide a second series and retest 4 weeks later.
- Varicella (Chickenpox): Assess need for vaccination. This vaccine is only administered to those that have not had the disease. A self-reported history of varicella or physician diagnosed varicella is adequate only if the disease occurred before 2004. If the disease occurred after 2004, it must be confirmed by lab results.
- Meningococcal C: Recommended only for research, industrial, and clinical laboratory personnel who are routinely exposed to N. meningitidis. Contact your program coordinator if you are unsure.
- Influenza: administered annually in the fall.
- COVID-19: The Provincial Health Officer no longer mandates that health care workers in BC be vaccinated against COVID-19, but requires a record of COVID-19 vaccination status. Private health care facilities may still require COVID-19 vaccination. Contact your program coordinator if you have questions.

## IMMUNIZATION INSTRUCTIONS

### INSTRUCTIONS FOR APPLICANT

1. Most immunizations are done free of charge by Health Units in BC or community pharmacies.
2. Arrangements for a chest X-ray, if required, can also be made through local health units or family physician.
- 3. Take the Immunization Record Form with you when obtaining your immunization to be completed by a health official.  
Note: non-local students must take this form to your local public health unit or community pharmacy**
4. Students who have not met the immunization requirements **will not** be permitted to attend practicums/practice experiences.
5. Any costs involved in meeting the above requirements are the responsibility of the student.
6. Public Health Units do not keep records from many years ago. Bring any records of past immunizations you have with you to the Health Unit to assist the Public Health Nurse, Travel Nurse or Pharmacist to complete the Immunization Record.
7. The Immunization Record is not to be filled out by the Applicant.

## MINISTRY OF JUSTICE CRIMINAL RECORD CHECK

You need to obtain the Criminal Record Check from the Ministry of Justice. Please do not go to your local police station as we no longer accept Criminal Record Checks from the RCMP for this program.

This part of the package is to inform you about the Health and Human Services Criminal Record Check process. The Criminal Records Review Program is part of the Ministry of Justice. The program is responsible for processing criminal record checks under the Criminal Records Review Act. Criminal record checks are done to protect the most vulnerable people in our society from and physical, social, economic or sexual abuse. This new Criminal Record Check is more extensive, increasing public safety and confidence in our institutions, while providing a professional and efficient administrative process.

Every post-secondary institution in British Columbia has been requested to have their students in a Health and Human Services Program complete this check. The Criminal Record Check is valid for five (5) years.

To submit an online request for a criminal record check, you must:

- Be at least 12 years of age as of today's date.
- Have an access code provided by your organization.
- Have your identity verified by using the BC Services Card Login. If you choose not to use the BC Services Card Login, your organization will verify your ID after you submit your criminal record check.

### ONLINE REQUESTING SERVICE
