Information

8 New Business

- A** Approval in Principle – Medical Laboratory Assistant Certificate. **CARRIED**

"Pursuant to the CIA Section 23(1)(b), Education Council recommends the Approval in Principle for the new Medical Laboratory Assistant Certificate Program."

Discussion:

As the Interior Health Authority faces a critical shortage of qualified Medical Laboratory Assistants (MLA) they require a local MLA training program to build a reliable supply of work-ready graduates. They have asked if Selkirk College could provide this program.

Suggested to have more information included in the briefing note that will be going to the Board. Also to explain the acronyms so all understand what is being said.

Education Council recommended to send the approval in principle request to the Board for approval.

9 Reports

- A** VP Education and Students Report (*verbal*) **Information**

There has been no new news since the last report was distributed.

- B** Education Council Chair Report (*verbal*) **Information**

There was a verbal report presented by the Vice Chair Maggie K. She attended the provincial meeting of all EdCo Chairs. It was a very interesting meeting. She appreciated the sharing of information across institutions.

Adjournment
